This letter is to solicit your physical support as well as a monetary seed of \$200.00 due on October 15, 2017. By starting in the month of July you can pay \$50.00 per month so that the total is completed by "Pastoral and First Family Appreciation" on October 15, 2017. If you choose to sow this seed offering of \$200.00 as a onetime gift on October 15, 2017 or as a onetime \$200.00 in advance, or on a monthly basis (\$50.00 payment plan July – October) to Bishop Williams before the due date, please make a note on your offering envelope under other and write assessment so that a credit will be applied appropriately to your account. "Pastoral and First Family Appreciation" offers an excellent opportunity for the congregation to come out and express our love and support for their sacrificial works in the household of Faith.

Bishop Williams is a man of God whose desire is never to become a burden to any of the members or friends of True Praise Family Worship Center. He is committed to teaching eternal truths in such a compassionate manner that individuals are open to receive, comprehend the message, and apply the principles for transformation and thanksgiving. It reflects the character of the church when we come together and "give honor to those whom honor is due" and by bonding together in the work of the Lord.

In order to maximize the opportunities of an unforgettable Pastoral and First Family Appreciation we want to emphasize that a positive approach must be taken; that includes all of us coming together and getting fully involved as the members of the church.

In His Service,
